

Parts Box

◆ Product Description

This part box comes with bracket and label, regular storage, sturdy and wear-resistant box body, high transparency, easy to check internal parts, convenient opening and closing for small parts storage.

◆ Product Advantages

- Free Bracket And Label, More Regular Storage
- High Transparency, Parts At A Glance
- Sturdy Box Body, Wear Resistant And Not Easy To Damage
- Convenient Opening And Closing, Efficient Classified Storage
- Suitable For Multiple Specifications, Strong Versatility

◆ Product Structure

It is a box structure with bracket and label, high transparency box body, uniform wall thickness, smooth opening and closing, smooth edges, bracket for auxiliary placement, label for classification marking.

◆ Application Scenarios

It is suitable for factories, workshops, laboratories, homes and repair shops, used for storing screws, nuts, electronic components and small accessories, clear classification, easy to check with bracket and label.

◆ Product Data and Physical Performance

Main Material: High-quality Material, Sturdy And Transparent

Transparency Performance: High Transparency, Easy To Check

Durability Performance: Wear-resistant And Anti-damage, Not Easy To Deform

Opening And Closing Performance: Smooth Opening And Closing, Easy To Operate

Storage Performance: Convenient Classification, Strong Adaptability

Material Code	Color	Weight	Packaging
1.2.15.01.0606	Red	0.5kg	Individually
1.2.15.01.0607	Blue	0.5kg	Individually
