

## Hollow Sheet

### ◆ Product Description

This hollow sheet is blue style, light and tough, sound insulation, heat insulation and moisture-proof, compression and bending resistant, environmentally friendly and easy to process for packaging and turnover.

### ◆ Product Advantages

- Blue Uniform Appearance, Uniform And Beautiful Color
- Light And Tough, Compression And Bending Resistant, Not Easy To Crack
- Moisture-proof, Sound Insulation And Heat Insulation, Wide Application
- Environmentally Friendly Non-toxic Material, Safe To Use
- Easy To Cut And Process, Suitable For Multi-scenario Customization

### ◆ Product Structure

It is a hollow sandwich panel structure with uniform internal hollow, smooth surface, uniform blue color, light and tough structure, convenient cutting with good compression and buffer protection.

### ◆ Application Scenarios

It is suitable for product packaging, material turnover, workshop partition, equipment protection and logistics lining, blue sheet is clean and beautiful for industrial and packaging protection.

### ◆ Product Data and Physical Performance

Main Material: Environmentally Friendly Hollow Sheet, Light And Tough

Protection Performance: Moisture-proof And Heat Insulation, Good Sound Insulation Buffer

Mechanical Performance: Compression And Bending Resistant, Not Easy To Break

Appearance Performance: Uniform Blue, Not Easy To Fade And Discolor

Processing Performance: Easy To Cut And Splice, Convenient Construction

Item	size	Weight	Packaging
1.2.15.02.0154	2000*1500*5mm	1kg	Individually
