

Wired Power Strip

◆ Product Description

Three-outlet national standard power strip with master switch, 3-meter extended power cord, supports wall mounting, CCC certified, flame-retardant shell with integrated copper strip conductor, suitable for basic power expansion in home and office.

◆ Product Advantages

- Three Outlet Configuration
- Master One-Key Switch
- CCC Safety Certification
- Supports Wall Mounting
- Extended Power Cord

◆ Product Structure

Adopts flame-retardant engineering plastic shell with integrated copper strip conductor, master switch with power indicator, 3-meter power cord with integrated molding, wall mounting holes on back, reasonable spacing fits regular plugs.

◆ Application Scenarios

Suitable for small desktop appliance power supply, digital device centralized charging, home scattered power access, extended cord for flexible wiring, wall mounting saves space for daily basic power expansion.

◆ Product Data and Physical Performance

Shell Material: Flame-Retardant Engineering Plastic

Conductive Material: Integrated Copper Strip

Rated Parameter: 250V/10A/2500W

Cord Length: 3 Meters

Safety Certification: CCC Certified

Item#	Model	Weight	Packing
1.2.19.03.0168	GN-210	0.3kg	1pcs/bag
