

Wired Power Strip

◆ Product Description

Six-outlet national standard power strip with master switch, 3-meter extended power cord, supports wall mounting, CCC certified, wide-spaced outlets fit large plugs, suitable for centralized multi-device power supply in office and home.

◆ Product Advantages

- Six Wide-Spaced Outlets
- Master One-Key Switch
- CCC Safety Certification
- Supports Wall Mounting
- Extended Power Cord

◆ Product Structure

Adopts flame-retardant engineering plastic shell with integrated copper strip conductor, master switch with power indicator, 3-meter power cord with integrated molding, wall mounting holes on back, wide spacing fits large power plugs.

◆ Application Scenarios

Suitable for office multi-device centralized power supply, equipment room peripheral connection, home multi-appliance use, sufficient outlets for simultaneous power supply, wall mounting optimizes desktop space utilization.

◆ Product Data and Physical Performance

Shell Material: Flame-Retardant Engineering Plastic

Conductive Material: Integrated Copper Strip

Rated Parameter: 250V/10A/2500W

Cord Length: 3 Meters

Safety Certification: CCC Certified
