

Wired Power Strip

◆ Product Description

Eight-outlet national standard power strip with master switch, 1.8-meter moderate power cord, one-key master switch, CCC certified, abundant multi-outlet layout, suitable for centralized multi-device power supply on desktop and daily use.

◆ Product Advantages

- Eight Outlet Configuration
- Master One-Key Switch
- CCC Safety Certification
- Moderate Short Cord Design
- Multi-Device Simultaneous Charging

◆ Product Structure

Adopts flame-retardant engineering plastic shell with integrated copper strip conductor, master switch with power indicator, 1.8m power cord with integrated molding, wide and reasonable outlet arrangement, multiple outlets work without interference.

◆ Application Scenarios

Suitable for multi-device desktop power supply, digital accessory centralized charging, office peripheral power access, 1.8m cord fits desktop wiring, master switch for one-key power off, convenient and safe management.

◆ Product Data and Physical Performance

Shell Material: Flame-Retardant Engineering Plastic

Conductive Material: Integrated Copper Strip

Rated Parameter: 250V/10A/2500W

Cord Length: 1.8 Meters

Safety Certification: CCC Certified

Item#	Model	Weight	Packing
