

File Rack

◆ Product Description

Three-layer stacked iron mesh file rack, reinforced metal frame with excellent load-bearing, surface rust-proof spray plastic treatment, layered storage of documents and materials, neat and orderly, suitable for office desktop document classification storage.

◆ Product Advantages

- Three-Layer Layered Storage
- Iron Mesh Metal Material
- Reinforced Load-Bearing Stability
- Rust-Proof Spray Plastic Treatment
- Desktop Neat Storage

◆ Product Structure

Adopts metal iron mesh and frame welding structure, three-layer horizontal stacked design, thickened frame to improve load-bearing, surface spray plastic for rust and wear resistance, stable bottom placement without sliding.

◆ Application Scenarios

Suitable for office desktop document classification, data bill storage, contract report sorting, common document access and other scenarios, layered design at a glance, improve desktop space utilization and office efficiency.

◆ Product Data and Physical Performance

Main Material: Metal Iron Mesh

Layer Structure: Three-Layer Stacked

Surface Treatment: Rust-Proof Spray Plastic

Load-Bearing Feature: Reinforced Strong Load-Bearing

Packing Specification: 1Pc/Carton

Item#	Spec	Weight	Packing
1.3.11.02.0024	3-tier	0.4kg	1pcs/carton
