

Marker Pen

◆ Product Description

A marker pen is a versatile tool integrating multi-functional writing and marking, with its core features lying in the dual-tip design and oil-based ink formula, widely used in fields such as education, office work, industry, and artistic creation.

- Quick-drying and waterproof, adaptable to complex environments
- Dual-tip design, balancing precision and efficiency
- Strong adhesion, suitable for multi-material surfaces
- Environmentally friendly and safe, complying with international standards
- Scene-adaptable, with highly flexible functions

◆ Product Structure

- The core components of a marker pen include dual-tip high-density fiber nibs, a sponge/cotton core ink storage and diversion system, a pen body made of environmentally friendly PP/ABS material with an anti-slip design, a silicone-sealed cap, as well as color identification and personalized customization options.

◆ Typical Applications

- With the advantages of dual-tip design, quick-drying and waterproof performance, and strong adhesion, marker pens are widely used in scenarios such as education and learning, office and business, industrial applications, artistic creation, and daily home use, meeting various usage needs.

◆ Typical Product Data and Physical Properties

Pen body material: environmentally friendly PP and ABS plastics

Nib material: high-density fiber

Sealing component: built-in silicone sealing ring

Colors: black, blue, red

Quick-drying time: 1-2 seconds

Operating temperature: 5°C~40°C

Availability:

Item#	Color	Packing	Weight
1.3.11.04.0030	Black	10pcs/box	0.32kg
1.3.11.04.0031	Red	10pcs/box	0.32kg
1.3.11.04.0032	Blue	10pcs/box	0.32kg
