

Calculator

◆ Product Description

Small desktop calculator, supports solar and button battery dual power supply, clear keys with sensitive response, complete basic calculation functions, compact size without taking space, suitable for daily office and financial calculation.

◆ Product Advantages

- Dual Power Supply
- Compact Desktop Design
- Clear And Sensitive Keys
- Complete Calculation Functions
- Energy-Saving And Long-Lasting

◆ Product Structure

Adopts plastic shell and key panel structure, display screen clearly shows calculation results, built-in solar sensor panel and battery compartment, regular key layout conforms to operation habits, overall thin and portable.

◆ Application Scenarios

Suitable for office financial accounting, store cashier calculation, student math calculation, daily data statistics and other scenarios, dual power design avoids power outage, compact size fits all kinds of desktop office environments.

◆ Product Data and Physical Performance

Shell Material: High-Quality Engineering Plastic

Power Supply Mode: Solar + Button Battery

Product Type: Small Desktop Type

Display Type: Digital Display Screen

Packaging Specification: 5Sets/Carton

Item#	Model	Weight	Packing
1.3.11.14.0005	AS-837	0.15kg	1set/box
