Memo Strip

◆ Product Description

Sticky Notes is a lightweight office/study/daily life consumable focused on " instant brief note-taking and quick labeling". Made of virgin wood pulp, it is mostly in the form of narrow and long strips, featuring a simple and portable design that highlights "efficient note-taking and space-saving".

- Narrow, long and compact, adapting to labeling scenarios
- Smooth and unobstructed, adapting to brief note-taking
- Adhesive yet non-damaging, adapting to labeling scenarios
- Easy to tear without sticking together, enabling efficient single-sheet retrieval
- Streamlined layout, adapting to diverse scenario needs

◆ Product Structure

- Sticky Notes adopt a three-level product structure based on "form + scenario", which is mainly divided into general labeling use and creative classification use. It focuses on the core narrow and long form, with concentrated specifications and a reasonable price gradient, achieving full scenario coverage from basic labeling to personalized use.

◆ Typical Product Data and Physical Properties

Material: Paper Substrate

Color: Orange, Fuchsia, Green, Yellow, Pink

Grammage: 60/70 g/m²

Size: 30×76 mm

Back Adhesive Adhesiveness: Reusable for 3-5 times

Tear Edge Regularity: ±1 mm

Folding Resistance: No obvious creases or cracks after 3 folds

Availability:

Item#	Spec	Color	Packaging	Weight
1.3.11.22.0006	30*76mm	Orange, Fuchsia, Green, Yellow, Pink	100 sheets /book	0.06kg

◆ Typical Applications

- Sticky Notes are widely used in scenarios such as office labeling, study assistance, portable quick note-taking, family communication, and creative expression. With their narrow and long form and convenient features, they adapt to the needs of fbrief information transmission across multiple scenarios.
