

ABS Consumable

◆ Product Description

This abs consumable is fusfun brand, a special consumable for 3d printing, low odor design, with high strength, high heat resistance and impact resistance, stable molding for various 3d printers.

◆ Product Advantages

- Fusfun Brand, High Quality And Guaranteed
- Low Odor And Environmental Protection, More Comfortable Printing Environment
- High Strength And Impact Resistance, Durable Molded Parts
- High Heat Resistance, Not Easy To Soften And Deform
- Wide Adaptability, Universal For Various 3D Printers

◆ Product Structure

It is a uniform filament structure, made of high-quality abs material, smooth surface without burrs, uniform diameter, good melt fluidity, stable structure after molding, impact-resistant and not easy to break.

◆ Application Scenarios

It is suitable for 3d printing scenarios such as model making, industrial part printing, creative design and education training, printing high-strength and impact-resistant workpieces for various needs.

◆ Product Data and Physical Performance

Main Material: High-quality Abs, Tough Texture

Mechanical Performance: High Strength And

Impact Resistance, Not Easy To Break

Heat Resistance Performance: High Heat

Resistance, Suitable For High Temperature

Printing

Odor Performance: Low Odor, No Obvious

Irritation

Printing Performance: Good Fluidity, Smooth

Printing

Material Code	Weight	Packaging
1.3.11.23.0005	1kg	Individually
