

Omnidirectional Microphone

◆ Product Description

This omnidirectional microphone adopts omnidirectional sound pickup technology, with wide pickup range, clear sound quality, excellent noise reduction, easy connection, suitable for various devices for long-distance clear pickup.

◆ Product Advantages

- Omnidirectional Sound Pickup, Wide Pickup Range
- Clear Sound Quality, Excellent Noise Reduction Effect
- Convenient Connection, Suitable For Various Devices
- Long-distance Sound Pickup, Stable Transmission
- Small And Light, Easy To Carry And Install

◆ Product Structure

It is a small and compact structure, with built-in omnidirectional sound pickup component and noise reduction module, regular appearance, connection interface, stable structure, sensitive pickup for multi-scenario use.

◆ Application Scenarios

It is suitable for meeting office, online teaching, live streaming, recording interviews, realizing multi-directional clear sound pickup with good noise reduction, suitable for various audio devices to improve quality.

◆ Technical Features

Main Material: High-quality Abs Plastic

Sound Pickup Performance: Omnidirectional

Noise Reduction Performance: Excellent Noise Reduction

Transmission Performance: Stable Transmission

Usage Performance: Low Power Consumption

Item#	Model	Weight	Packaging
1.4.22.00.0089	SYNC60	0.15kg	1pcs/box
