

## Automatic And Rapid PVC Rolling Shutter Door

### Product Description

This automatic fast pvc rolling door adopts 304 stainless steel lintel and guide rail, pvc special curtain, with horizontal perspective window, external manual switch and internal radar induction.

### Product Advantages

- 304 Stainless Steel Parts, Sturdy, Corrosion-resistant And Durable
- Pvc Special Curtain, Flexible, Wear-resistant And Easy To Clean
- Horizontal Perspective Window, Transparent Vision And Safer
- Dual Control Mode, External Manual + Internal Radar Induction
- Automatic Fast Opening And Closing, Improve Passing Efficiency

### Product Structure

It is composed of 304 stainless steel lintel, guide rail and pvc curtain with horizontal perspective window, equipped with external manual switch and internal radar induction, stable structure.

### Application Scenarios

It is suitable for workshops, warehouses, logistics channels and clean areas, fast opening and closing saves time, perspective window ensures safety, dual control adapts to different needs.

### Technical Features

Lintel And Guide Rail: 304 Stainless Steel, Corrosion-resistant And Wear-resistant

Curtain Material: Special Pvc, Flexible And Not Easy To Damage

Perspective Window: Transparent Material, Clear And Transparent Vision

Control Performance: Sensitive Radar Induction, Convenient Manual Switch

Structural Performance: Sturdy And Durable, Smooth Opening And Closing Without Stuck
