

Shaking Incubator

Product Description

Multifunctional shaking incubator with switchable orbit and reciprocating mode, precise temperature control, full english operation and thai standard plug.

Product Advantages

- Dual Mode Shaking With Free Switching
- Stable Temperature Control For Good Culture
- Adjustable Speed For Multiple Samples
- Intelligent Timing Save Time And Effort
- Thai Plug Adapt To Southeast Asia Market

◆ Product Structure

Heat insulation box body, stable shaking tray, mute transmission component, clear english control panel, shockproof and low-noise operation.

◆ Application Scenarios

It is used in biological research and microbial experiments for constant temperature shaking mixing and strain cultivation.

◆ Technical Features

Cabinet: Anti Corrosion Steel, Durable Electrostatic Spraying

Tray: Alloy Plate, Load Bearing Without Deformation

Shock Absorber: High Elastic Rubber, Noise And Vibration Reduction

Transmission: Precision Hardware, Smooth Transmission

Temperature Module: Smart Chip, Constant Temperature Control

Item#	Model	Weight	Packaging
1.4.26.07.0003	LC-DIS-50H	36kg	1set/carton
