

Bunsen Burner

Product Description

Taiwan made electronic ignition bunsen burner, one-click ignition without open flame, simple and durable for laboratory heating and sterilization..

Product Advantages

- Electronic Ignition With Convenient Operation
- Safer Without Open Flame Ignition
- Taiwan Quality With Exquisite Workmanship
- Simple Body And Long Service Life
- Suitable For Various Laboratory Heating

◆ Product Structure

It has an integrated simplified structure, built-in protection for ignition parts, regular fire outlet, high temperature resistance and easy storage.

◆ Application Scenarios

It is suitable for laboratories and teaching institutions for utensil sterilization, sample heating and culture medium pretreatment.

◆ Technical Features

Body: High Temperature Alloy, Anti Oxidation

Igniter: Precision Electronic Component, Sensitive Response

Fire Nozzle: Heat Resistant Ceramic, Uniform Heat Gathering

Base: Weighted Anti Slip Material, Stable Placement

Gas Path: Corrosion Resistant Pipe, Smooth Air Flow

Item#	Model	Weight	Packaging
1.4.26.09.0002	Dragon200	2.2kg	1pcs/box
