

Aluminum Alloy Flight Case

◆ Product Description

This aluminum alloy aviation case is a-020 medium size, made of thickened aluminum alloy material, black appearance, equipped with combination lock and grid sponge, strong protection for safe storage of various items.

◆ Product Advantages

- Thickened Aluminum Alloy, Sturdy And Impact-resistant
- Combination Lock Design, Safer Storage
- Grid Sponge, Classified Storage Of Items
- Sealed And Moisture-proof, Excellent Protection Performance
- Black Appearance, Portable And Beautiful

◆ Product Structure

It is an integral box structure, thickened and reinforced aluminum alloy shell, tight sealing, built-in grid sponge, equipped with combination lock, smooth opening and closing for various item storage.

◆ Application Scenarios

It is suitable for storage scenarios such as instruments and equipment, precision parts, outdoor supplies and electronic products, used for transportation and storage, anti-theft and anti-collision for multi-scenario needs.

◆ Product Data and Physical Performance

Main Material: Thickened Aluminum Alloy, Sturdy And Durable

Protection Performance: Sealed And

Moisture-proof, Anti-fall And Anti-scratch

Sponge Material: Soft And Elastic, Anti-collision

Lock Performance: Combination Lock, Strong

Anti-theft

Appearance Performance: Black Matte, Not Easy To Fade

Material Code	Weight	Packaging
1.5.01.10.0005	4.5kg	1pcs/carton
