

Electronic Analytical Balance

Product Description

Lichen lc-fa2204 electronic analytical balance with full english manual, display and keys, thailand type o three-pin plug, 10a/220v support, accurate and stable for precision weighing.

Product Advantages

- Brand Regular And Quality Guaranteed
- Full English Operation And Convenient Adaptation
- Accurate Weighing With Small Error
- Thailand Plug Standard Adaptation
- Stable Operation And Strong Durability

◆ Product Structure

The body has a compact structure, reasonable key layout for easy operation, clear english display, strong power interface adaptability, and overall design balances practicality and stability.

◆ Application Scenarios

Widely used in laboratories, scientific research institutions, quality inspection departments for sample weighing, material analysis and other precision operations with high accuracy requirements.

◆ Technical Features

Body: High-Quality Metal, Stable And Wear-Resistant

Buttons: Durable Material, Sensitive Touch

Display Panel: High-Definition Material, Clear Display

Sensor: Precision Components, Accurate Sensing

Power Interface: High-Quality Conductor, Stable Conduction

Item#	Model	Weight	Packaging
1.5.07.11.0079	LC-FA2204	6.2kg	1set/carton
