

Electronic Balance

Product Description

Lichen lc-yh-30002f electronic balance with 500g calibration weight, full english operation, thailand type o three-pin plug, 10a/220v, stable for various conventional weighing scenarios.

Product Advantages

- Equipped With Calibration Weight Accurate And Controllable
- Full English Operation Convenient And Easy To Understand
- Thailand Plug Standard Adaptation
- Stable Weighing With Controllable Error
- Widely Adaptable And Strong Practicability

◆ Product Structure

The body has a simple and elegant design, sensitive buttons for easy operation, clear english display, good power interface adaptability, equipped with calibration weight, stable overall structure, easy to carry and place.

◆ Application Scenarios

Suitable for factory workshops, laboratories, small testing stations for material weighing, sample proportioning and other conventional operations, meeting various daily weighing needs.

◆ Technical Features

Body: High-Quality Alloy, Strong And Durable

Buttons: Wear-Resistant Material, Sensitive Reaction

Display Panel: Wear-Resistant Material, Clear Display

Weight: Standard Material, Precision Up To Standard

Power Interface: High-Quality Material, Good Contact
