

Multi-Function Sanding Pen

◆ Product Description

The multi-functional grinding pen is a portable precision tool integrating grinding, polishing, carving, rust removal and drilling. With "small size, great power" as its core highlight, it breaks the limitations of traditional large-scale grinding equipment, making precision processing scenarios more efficient and flexible, whether for home repairs and maintenance or professional precision machining, it can easily handle the tasks

- Fine Grinding, Say Goodbye to Roughness
- High-Gloss Polishing, Renew Texture
- Micro-Carving, Turn Creativity into Reality
- Multi-Scenario Restoration,
- Efficient and Convenient

◆ Product structure

- The body adopts an ergonomic design with an aluminum handle. It is equipped with a convenient speed control knob, allowing one-hand operation for four-speed adjustment

◆ Typical Applications

- Handicraft Creation: Fine processing such as wood crafts, jewelry design, antique play maintenance, model making, etc
- Maintenance and Renovation: Electronic equipment maintenance, furniture renovation, hardware accessories repair, etc
- Industrial Processing: Precision grinding of small parts, detailed finishing of molds, engraving of product logos, etc.
- Home Life: Daily scenarios such as tile gap cleaning, glass scratch repair, metal hook rust removal, etc.

◆ Typical Product Data and Physical Properties

Material: Aluminum handle body
 Charging Input Voltage: 5V 2A
 Speed: 10000-15000-20000 RPM
 Power: 10W
 Net Weight: Approx. 0.13 kg
 Adjustment Method: 4-speed knob adjustment

Availability:

Material Code	Product Name	Weight
1.5.13.01.0050	Multi-Function Sanding Pen	0.13KG
