

Quartz Wool

◆ Product Description

This quartz wool is kinwall brand tp-30 pro model, complying with rohs standards, white color, special model, high-quality material, outstanding high temperature resistance, soft texture for high temperature scenarios.

◆ Product Advantages

- Kinwall Brand, Tp-30 Pro Model, Reliable Quality
- Comply With Rohs Standards, Environmentally Friendly And Pollution-free
- Outstanding High Temperature Resistance, Suitable For High Temperature Environment
- White Special Model, Suitable For Specific Scenarios
- Soft Texture, Convenient For Laying And Use

◆ Product Structure

It is a fluffy cotton structure, made of high-quality quartz fiber, thin and uniform fiber, pure white color, soft and tough texture, fluffy structure, high temperature resistance and not easy to age.

◆ Application Scenarios

It is suitable for industrial high-temperature equipment, electronic components and laboratories, used for heat insulation, heat preservation and filtration to ensure stable operation of equipment and safety of components.

◆ Product Data and Physical Performance

Main Material: High-quality Quartz Fiber,
High-quality Texture

Environmental Performance: Comply With Rohs Standards, Safe And Non-toxic

Heat Resistance Performance: High Temperature Resistance, Not Easy To Age And Deteriorate

Appearance Performance: Pure White Color, Uniform Color

Mechanical Performance: Soft Texture, Excellent Toughness

Material Code	Weight	Packaging
1.5.19.03.0046	0.2kg	10g/bag
