

Serial Relay

◆ Product Description

This hot air gun has 2000w power, fast and uniform temperature rise, supports temperature adjustment, large and stable air volume, easy to operate for various heating scenarios with professionalism and durability.

◆ Product Advantages

- Serial Port Communication, Precise Control And Fast Response
- Support Remote Control, Convenient And Efficient Operation
- Strong Load Capacity, Suitable For Various Equipment
- Stable Operation, Low Failure Rate And Strong Durability
- Easy To Install, Suitable For Various Control Scenarios

◆ Technical Features

Main Material: High-quality Flame-retardant Plastic
 Heating Element: Ceramic Heating Core
 Temperature Control Performance: Precise Temperature Control
 Air Volume Performance: Large And Stable Air Volume
 Grip Performance: Ergonomic Design

◆ Product Structure

It is an integrated handheld structure with built-in 2000w heating module and temperature control components, air outlet and adjustment buttons, regular body, comfortable grip for handheld heating work.

Item#	Weight	Packaging
1.5.22.02.0004	1.8kg	1pcs/box

◆ Application Scenarios

It is suitable for electronic maintenance, auto beauty, industrial heating, manual diy and home repair, completing desoldering, heat shrinkage and paint removal with high efficiency.
