

Mosquito Killer Lamp

◆ Product Description

This mosquito killer lamp power is suitable for daily mosquito control, high mosquito killing efficiency, no chemical pollution, silent operation, easy to install, simple appearance for indoor mosquito control.

◆ Product Advantages

- High Mosquito Killing Efficiency, Fast Trapping And Killing Mosquitoes
- No Chemical Pollution, Safe And Environmentally Friendly
- Silent Operation, Does Not Affect Daily Rest
- Easy To Install, Simple To Get Started
- Simple Appearance, Suitable For Various Indoor Scenarios

◆ Product Structure

It is an integrated mosquito killer lamp structure, built-in mosquito trapping and killing module, simple and smooth shell, good heat dissipation, silent design, standard installation interface, efficient mosquito killing.

◆ Application Scenarios

It is suitable for indoor scenarios such as homes, offices, hotels, restaurants and workshops, used for trapping and killing mosquitoes, no chemical pollution, silent operation, easy to install for a comfortable environment.

◆ Product Data and Physical Performance

- Main Material: High-quality Shell, Durable And Safe
- Mosquito Killing Performance: Efficient Trapping, Fast Killing
- Operation Performance: Silent Operation, No Noise Disturbance
- Heat Dissipation Performance: Good Heat Dissipation, Extend Service Life
- Installation Performance: Standard Interface, Easy To Install
