

Bench Vice Fixture

◆ Product Description

This bench vice fixture is a taiwan shendong brand, heavy-duty design, strong clamping force, stable structure, high precision, easy to operate, precisely clamp various workpieces for heavy-duty operations.

◆ Product Advantages

- Taiwan Shendong Brand, High-end And Reliable Quality
- Heavy-duty Design, Strong And Stable Clamping Force
- Excellent Precision, Precise Clamping And Positioning
- Sturdy Structure, Impact-resistant And Not Easy To Deform
- Convenient Operation, Suitable For Heavy-duty Work

◆ Product Structure

It is a heavy-duty frame structure, made of thickened metal, flat and wear-resistant jaw, smooth lead screw transmission, stable locking mechanism, fixable base for heavy-duty clamping.

◆ Application Scenarios

It is suitable for heavy-duty operations such as mechanical processing, mold manufacturing and hardware processing, clamping various workpieces to ensure processing precision and stability.

◆ Product Data and Physical Performance

Main Material: Thickened Alloy Steel, Sturdy And Durable

Clamping Performance: Strong Clamping Force, Precise Positioning

Transmission Performance: Lead Screw

Transmission, Smooth And Labor-saving

Wear Resistance: Wear-resistant Jaw, Not Easy To Wear And Deform

Load-bearing Performance: Heavy-duty

Load-bearing, Suitable For Heavy Load

Material Code	Weight	Packaging
1.5.51.01.0012	5.5kg	1pcs/box
