

## Gauze

### ◆ Product Description

This special gauze for constant temperature machine is made of high-quality cotton material with good water absorption and air permeability, flexible and skin-friendly, quantitative packaging per pack, clean and hygienic for constant temperature equipment.

### ◆ Product Advantages

- Special Customization, Suitable For Constant Temperature Machine
- Cotton Material, Good Air Permeability And Water Absorption
- Flexible And Skin-friendly, Not Easy To Shed And Fuzz
- Quantitative Packaging, Clean And Hygienic For Easy Access
- Durable And Wear-resistant, Not Easy To Break For Repeated Use

### ◆ Product Structure

It is a plain woven gauze structure with tight and uniform fiber weaving, regular edge treatment, single piece independent molding, multi-piece package, soft and breathable structure for constant temperature machine cleaning.

### ◆ Application Scenarios

It is suitable for various constant temperature equipment, used for equipment cleaning, wiping maintenance and auxiliary heat insulation, clean and breathable for daily maintenance of industrial and laboratory constant temperature machines.

### ◆ Product Data and Physical Performance

Main Material: High-quality Cotton Yarn, Strong Air Permeability And Water Absorption  
 Weaving Performance: Tight Warp And Weft Weaving, Not Easy To Loose Thread  
 Breathable Performance: Excellent Air Permeability, Balanced Heat Dissipation And Moisture Retention  
 Cleaning Performance: Dust-free And Lint-free, Suitable For Precision Equipment  
 Usage Performance: Flexible And Wear-resistant, Usable For Multiple Wiping

| Material Code  | Weight | Packaging |
|----------------|--------|-----------|
| 1.7.04.00.0072 | 0.08kg | 10pcs/bag |
