

Safety Helmet

◆ Product Description

Made of high-strength impact-resistant material, in line with industrial protection standards, impact-resistant, puncture-resistant, aging-resistant, comfortable to wear and easy to adjust, suitable for various high-altitude and industrial operation scenarios.

◆ Advantage Highlights

- Impact and puncture protection
- Aging-resistant and not easy to damage
- Comfortable to wear without pressing the head
- Easy to adjust, suitable for various head shapes
- Waterproof, wear-resistant and easy to clean

◆ Product Structural Description

The helmet shell is integrally formed of high-strength ABS material, with built-in buffer liner to absorb impact force, equipped with adjustable helmet liner and chin strap for firm wearing, breathable design on the top of the helmet, light and easy to carry.

◆ Application Scenarios

Construction site operations, high-altitude operations, mining, mechanical processing workshops, power construction, warehousing and logistics, road construction, engineering maintenance

◆ Product Data & Physical Properties

Material: ABS material

Standard: GB2811-2019

Core Features: Impact & puncture resistant, anti-aging

Practical Features: Waterproof, wear-resistant, easy to clean

Applications: High-altitude & industrial workplaces

Item Code (SKU)	Size	Color	Packing Detail	Weight (kg)
1.1.02.06.0012	OS	Red	1pc/box	0.48
1.1.02.06.0014	OS	White	1pc/box	0.38
1.1.02.06.0015	OS	Blue	1pc/box	0.33
1.1.02.06.0013	OS	Yellow	1pc/box	0.33
