

Rubber Gloves

◆ Product Description

This product is made of thickened cowhide latex material, individually packed in pairs. It is flexible, wear-resistant and fits hands comfortably, featuring excellent protection and durability. Suitable for various cleaning and labor scenarios.

◆ Product Advantages

- Thickened latex material, sturdy and durable
- Highly flexible and elastic latex, fits hands comfortably
- Individually packaged, clean and hygienic
- Tear-resistant and not easy to break
- Excellent waterproof and anti-fouling protection
-

◆ Product Structure

It adopts an integrated molded structure, with thickened and reinforced palm and fingers. The wrist features a snug fit closure, and the textured surface provides anti-slip performance. The glove is flexible and even in texture, offering comfortable and flexible wear.

◆ Application Scenarios

Suitable for household cleaning, kitchen dishwashing, industrial work, gardening, aquatic product processing and other scenarios. It can effectively protect hands, be waterproof and isolate dirt, and reduce irritation and abrasion.

◆ Technical Features

- Made of high-quality latex rubber with excellent elasticity
- Thickened design, tear-resistant, puncture-resistant and not easy to break
- Excellent waterproof and anti-seepage effect, effectively isolating oil stains and liquids
- Flexible and close-fitting, allowing flexible finger movement without affecting operation
- Acid and alkali resistant, suitable for various cleaning and working environments
