

## ESD U-Brush

### ◆ Product Description

This industrial-grade silicone work mat is safe, non-toxic and odorless with magnetic function. It offers excellent heat resistance up to 200°C, and its smooth surface is superbly waterproof and oil-proof. Daily oil and water stains won't seep in, and a quick wipe with a damp cloth keeps it clean. A must-have tool for electronic assembly and maintenance personnel.

- Premium material for safety & reliability
- Excellent heat insulation and slip resistance
- Equipped with magnetic function

### ◆ Product structure

- This mobile phone repair silicone mat features a core high-temperature resistant, anti-slip silicone base, integrated with functional grooves, part storage sections and tool racks for a multi-functional repair aid

### ◆ Typical Product Data and Physical Properties
