

Scouring Pad

◆ Product Description

This product is a black cleaning pad with a diameter of 43 cm and uniform thickness. It is packed 5 pieces per carton, suitable for floor grinding, cleaning, polishing and waxing. It is wear-resistant and durable, and compatible with various cleaning equipment.

◆ Product Advantages

- Sufficient thickness, wear-resistant and durable
- Black material with strong decontamination ability
- Standard size for wide compatibility
- Stable grinding and polishing effect
- Packed by carton for convenient use

◆ Product Structure

It has a round, sheet-like structure with dense and uniform fibers. It is 2.5 cm thick with a smooth yet rough surface. The center is designed to fit machine chucks, featuring a sturdy structure that is resistant to shedding and delamination.

◆ Technical Features

- Made of high-strength wear-resistant fibers bonded with resin
- Strong grinding force, quickly removes stubborn stains and old wax layers
- Friction-resistant, not easy to break, with long service life
- Moderate water absorption, better effect when used with cleaning agents
- Does not shed hair or debris easily, will not damage floor surfaces

Item Code	Color	Spec.
1.2.01.04.0022	Black	43CM

◆ Application Scenarios

Suitable for hard floors in shopping malls, factories, properties, hotels, garages and other places. It can be used for dirt grinding, old wax removal, floor cleaning, polishing and waxing.
