Anti-static alcohol bottle

◆ Product Description

The anti-static alcohol bottle is specifically designed for static-sensitive scenarios such as electronic manufacturing, laboratories, and the cleaning of precision instruments. through the use of anti-static materials and structural design, it prevents the generation of static electricity due to friction during the pouring or spraying of alcohol. This helps to prevent electrostatic discharge from causing damage to sensitive components and also ensures the safety of alcohol storage.

- Excellent anti-static performance
- Safe and reliable structural design
- Precise spray control
- Durable and easy to clean
- Humanized design

◆ Product Structure

- The body of the anti-static alcohol bottle is made of anti-static PVC plastic, featuring an ergonomic streamlined design with an appropriate capacity. It is transparent and has a uniform thickness. The bottle cap adopts a threaded or snap-on sealing method. The pressing system includes a delicate pressing head, a flexible straw, and a spring device, which can accurately control the liquid output volume and ensure smooth liquid discharge.

◆ Typical Applications

- The anti-static alcohol bottle is suitable for scenarios such as electronic manufacturing, laboratories, and precision instruments. Through anti-static materials and precise liquid control design, it can clean dust, oil stains, and chemical residues while preventing static electricity from damaging sensitive components, ensuring equipment precision, cleanliness, and operational safety.

◆ Typical Product Data and Physical Properties

Bottle Body Material: Anti-static PVC/HDPE composite plastic
Cap Material: Anti-static ABS/stainless steel pump head
Color Options: White, Pink, Yellow
Label: ESD SAFE
Anti-static Performance: $1*10E6-1*10E10\Omega$
Capacity: 120mL / 180mL / 200mL
Light Transmittance: >73%

Availability:

Item#	Color	Capacity	Specifications	Packing
1.2.17.01.0001	White	180ML	mushroom head	20 pcs/carton
1.2.17.01.0023	White	200ML	plum head type	20 pcs/carton
1.2.17.01.0029	Pink	180ML	plum head type	20 pcs/carton
1.2.17.01.0024	Pink	200ML	plum head type	20 pcs/carton
1.2.17.01.0031	Yellow	120ML	plum head type	20 pcs/carton
1.2.17.01.0006	Yellow	200ML	plum head type	20 pcs/carton
