

Yellow glue bottle

◆ Product description

Industrial-grade yellow glue packaging bottle, corrosion-resistant, leak-proof and sealed, smooth extrusion of glue, suitable for storage and dispensing of yellow glue, instant glue and chemical reagents.

◆ Product advantage

- Leak-proof and sealed
- Acid and alkali corrosion resistance
- Soft and labor-saving extrusion
- Accurate and controllable glue output
- The material is safe and durable

◆ Product characteristics

Material;PVC/PE
Capacity:250ML

◆ Product structure

The bottle body is made of soft PVC/PE material, the bottle mouth is equipped with a pointed mouth cover, and the bottle body is flexible, with good extrusion resilience and stable dispensing without dripping.

Material code	colour	packaging
1.2.17.02.0013	white	Individually

◆ Application scenario

It is used for dispensing glue, hardware processing, hand-making, packaging fixing and circuit fixing in electronic factories, and holding liquids such as yellow glue, flux and glue.
