

## Grounding Wire Assembly

### ◆ Product Description

Anti-static grounding wire assembly, made of high conductive material, firm connection, excellent conductivity, easy installation, suitable for all kinds of anti-static equipment grounding requirements.

### ◆ Product Advantages

- Excellent conductivity,
- Firm connection,
- Convenient installation,
- Strong corrosion resistance and
- Long service life

### ◆ Product Structure

High-purity copper conductor, high-quality terminal connector, insulation sheath wrapping, length can be customized, interface standardization design.

### ◆ Technical Features

Conductor material: pure copper (purity  $\geq$  99.9%);

Rated current:  $\leq$  10A

Material Code	Weight	packing
1.2.19.04.0098	0.26kg	1pcs

### ◆ Application Scenarios

Anti-static equipment grounding, electronic workbench grounding, laboratory instrument grounding, workshop anti-static system, precision equipment protection.

### ◆ Remarks
