

Sticky Note

◆ Product Description

Post-it Notes (Sticky Notes) is an office/study/daily life consumable with the core functions of "reusable adhesion and temporary note-taking". It is mainly made of high-quality pulp and removable adhesive, mostly in the form of small square or rectangular sheets.

2x3" 100张 / 50mm*75mm

- Back Adhesive Adhesiveness
- Paper Writing Adaptability
- Size Portability
- Tear Edge Regularity
- Functional Design Diversity

◆ Product Structure

- Sticky Notes adopt a three-level product structure based on "scenario + function" which is mainly divided into general office use, scenario-specific functional use and creative & personalized use. Their overall specifications are concentrated, with a reasonable price gradient, achieving full coverage of needs from practicality to personality and from mass to niche markets.
