

## Office Desk

### ◆ Product Description

Office desks are an ideal choice that balances practicality and aesthetics, adding a natural and warm atmosphere to any space. The simple fixed design meets the needs of modern office work and study.

- Natural Texture, Eco-Friendly & Safe
- Optimal Size (Fits Various Spaces)
- Multi-Dimensional Storage Design
- Ergonomically Friendly Design
- Strong Load-Bearing Capacity & Stable Structure

### ◆ Product Structure

- The office desk adopts a modular structural design consisting of four components: tabletop, support, storage, and functional accessories. Through the ingenious combination of materials, craftsmanship, and functions, it not only meets the needs of modern office work but also showcases the natural beauty of solid wood.

### ◆ Typical Product Data and Physical Properties

Material: Solid Wood  
 Dimensions: L1400W\*700H\*750MM  
 Tabletop Static Load Capacity: ≥100kg  
 Drawer Load Capacity: ≥25kg  
 Surface Abrasion Resistance: ≥400 cycles  
 Wood Moisture Content: 8%-12%  
 Structural Stability: Horizontally slidable desk, no wobbling

#### Availability:

Item#	Size	Weight
1.4.01.03.0012	L1400*W700*H750MM	50kg

### ◆ Typical Applications

- The office desk is suitable for home-based white-collar workers and freelancers. For the home office scenario, it enables efficient and comfortable work through the warm texture of solid wood, ergonomic table height, and cable management slots.
