

## Dehumidifier

### ◆ Product Description

Intelligent temperature control dehumidifier, built-in high-efficiency compression and condensation system, fast dehumidification and moisture-proof, low-noise operation, automatic defrosting, convenient movement, suitable for all kinds of indoor environmental humidity control.

### ◆ Product Advantages

- Intelligent and precise humidity control
- Fast and efficient dehumidification
- Low-noise operation without disturbance
- Automatic defrosting and anti-condensation
- Light sound and convenient movement

### ◆ Product Structure

Integrated sheet metal body, built-in compressor + evaporator condensation system, intelligent touch operation panel, large-capacity sealed water tank, bottom universal moving wheel, front removable filter screen, automatic defrosting module..

### ◆ Application Scenarios

Industrial workshops, warehouses, laboratories, archives, family living rooms, bedrooms, shopping malls, office buildings, food and drug storage warehouses.

### ◆ Technical Features

Dehumidifying capacity : 15kg/h

Control accuracy :  $\pm 3\%$  RH

Operating noise : 35-45dB (A)

Water tank capacity : 2-8 L

Rated power : 180-800 W

Applicable area : 400-550 m<sup>2</sup>

Working temperature : 5 ~ 38 °C.

Item#	Size	Model	Weight
1.4.07.01.0007	980*472*1740mm	CF15KT	135kg
