

Moisture-Proof Cabinet

◆ Product Description

This moisture-proof cabinet features a dehumidification capacity of 413 L, with external dimensions of 600*695*1274 mm. Equipped with 3 movable shelves, it adopts a low power consumption design and a stable body structure, enabling efficient moisture-proof storage of items.

◆ Product Advantages

- Sufficient dehumidification storage capacity
- Flexible adaptation with movable shelves
- Low power consumption for energy saving
- Stable cabinet structure
- Regular overall dimensions

◆ Product Structure

It features a regular cabinet structure with external dimensions of 600*695*1274 mm and internal dimensions of 598*645*1071 mm. Equipped with 3 movable shelves, it enables convenient access to stored items and boasts a stable, durable structure.

◆ Application Scenarios

Suitable for electronic components, precision instruments, laboratory consumables, optical equipment, cultural relics and archives, etc. It provides long lasting moisture protection and effectively safeguards all moisture sensitive items from damp damage.

◆ Technical Features

External Dimensions: W600*D695*H1274 mm
 Internal Dimensions: W598*D645*H1071 mm
 Dehumidification Capacity: 413 L
 Movable Shelves: 3 pcs
 Max Power: 145 W
 Average Power: 26 W/h
