

Leister Manual Hot Melt Welding Torch Triac St

◆ Product Description

Original LEISTER manual hot melt welding gun, heating efficiency, temperature stability, easy operation, suitable for plastic hot melt welding, excellent welding quality.

◆ Product Advantages

- High heating efficiency,
- Stable temperature,
- Easy operation,
- Firm welding,
- Original quality

◆ Technical Features

Temperature range: 100-650 °C
Rated power: 800-1600W

◆ Product Structure

Metal high temperature resistant gun body, built-in high-quality heating element and airflow regulator, non-slip handle, replaceable welding nozzle design.

Material Code	Weight	packing
1.4.24.02.0151	3.5kg	1Set

◆ Application Scenarios

Plastic pipe welding, geomembrane welding, plastic sheet processing, building materials construction, industrial plastic parts splicing, laboratory research and development.
