

Cooling fan

◆ Product Description

Special protective net for fans, stainless steel material, standard size design, effectively protecting fans from foreign objects, ensuring safe operation of equipment, easy to install

◆ Product Advantages

- Stainless Steel Material, Rust-proof And Durable
- Precise Pore Size, Effective Protection
- Standard Size, Strong Adaptability
- Easy Installation Design, Convenient To Use
- High Strength Structure, Safe And Reliable

◆ Product Structure

Adopts stainless steel mesh and frame

design, rounded corners, evenly distributed mesh holes, burr-free edges, easy to install

◆ Product Data and Physical Performance

Main Material: Stainless Steel

Standard Pore siz

Surface Treatment: Polishing / electrost Spraying

Structure: Integrated Molding

Rust Resistance Level: High

◆ Application Scenarios

Used for the protection

◆ Remarks
