

Brushless Trigger Type Electric Screwdriver with Counter

◆ Product Description

Press Electric Screwdriver (Model: BFN B-7000P), blue counting version, torque 2~12kgf.CM, speed 500-1000, brushless motor more durable, convenient handle-press operation.

◆ Product Advantages

- Durable brushless motor
- With counting function
- Adjustable torque and speed
- Eye-catching blue appearance
- Convenient handle-press operation

◆ Product Structure

Blue body design, adopting brushless motor and handle-press trigger structure, built-in counting module, convenient torque and speed adjustment, lightweight body, suitable for long-term precision operation.

◆ Application Scenarios

Suitable for high-precision locking scenarios such as precision electronics and small equipment, brushless motor runs stably, counting is clear, torque and speed are adjustable, ensuring locking quality and efficiency.

◆ Product Data and Physical Performance

Model: BFN B-7000P

Type: Brushless with counting handle-press type

Color: Blue

Torque: 2~12kgf.CM

Speed: 500-1000

brushless motor, durable and stable.
