

Screwdriver Set

◆ Product Description

The set includes various specifications of bits, adapting to different types and sizes of screws, the screwdriver body has anti-slip design, comfortable to hold, and is equipped with a storage box for easy carrying and storage, meeting multi-scenario use needs.

◆ Product Advantages

- Complete various specifications of bits
- Adapt to multiple screws
- Anti-slip screwdriver body grip
- Storage box for convenient storage
- Universal for multiple scenarios

◆ Product Structure

Composed of multiple screwdrivers, various specifications of replaceable bits and a storage box, the screwdrivers are made of high-quality steel, the bits are high in hardness and not easy to deform, and the storage box is partitioned for neat placement and convenient access

◆ Application Scenarios

Widely used in electronic equipment maintenance, home appliance maintenance, handcrafting, hardware processing and other scenarios, adapting to screw disassembly and assembly of various products such as mobile phones, computers, home appliances and small machinery.

◆ Technical Features

Material: High-quality carbon steel bits + ABS handle
 Set specification: 18-piece set (including 12 bits)
 Bit specification: 0.6-5mm
 Hardness: HRC50-55
 Storage box size: 20×12×5cm

Material code	weight	Packaging method
1.5.13.01.0036	0.33kg	1pc/box
1.5.13.01.0037	0.26kg	1pc/box
1.5.13.01.0038	0.21kg	1pc/box
1.5.13.01.0039	0.35kg	1pc/box
