

Flux

◆ Product Description

The flux adopts an environment-friendly halogen-free formula, has excellent wettability and no welding residue, can effectively remove the metal oxide layer, improve the firmness of the solder joint, and is suitable for various electronic welding scenes.

◆ Product Advantages

- Environment-friendly halogen-free formula
- Excellent wettability
- No weld residue
- Good deoxidation effect
- Bright and firm welding spot

◆ Product Structure

Sealed bottle design, anti-volatilization and anti-oxidation, precise bottle mouth, uniform liquid texture without impurities, stable environmental protection formula, easy to take accurately

◆ Technical Features

Capacity: 100ml/bottle
 Solid content $\geq 35\%$,
 PH value 6.5-7.5 (neutral),
 Wetting time $\leq 2S$
 Halogen-free, shelf life 12 months
 Working temperature 180-250 °C

Item#	Weight	Packing
1.5.19.03.0027	0.019kg	Individually wrapped

◆ Application Scenarios

Welding of electronic components, circuit board production, maintenance of household appliances, assembly of precision instruments, welding technology of automotive electronics
